Fit Evaluation

Sample Request ID: 390170

OB1497841 - BDG MATHIAS LACE SS

FIT COMMENTS:

- *Adjust pattern shrinkage as multiple measurements came in under spec. See revised specs for body width/length and Sleeve width/Length.
- *Increase body length back to spec. Ensure hem is level all around.
- *Remove back pleats from yoke seam.
- *Remove 1 button and buttonhole. See revised specs and button placement. Ensure buttons and buttonholes are evenly spaced along CF.
- *Update neck/collar shape to be as OB 1321530 UPCYCLE LACE SS SHIRT(note, we increase collar height @ CB to cover neck seam). See photos and revised specs.
- *All other specs are acceptable as sample. See revised specs.

CONSTRUCTION COMMENTS:

- *DO NOT HARD PRESS THIS GARMENT. No Sleeve Crease on OUTSLEEVE.
- *Remove LOGO from side seam. There will be no external branding on this style.
- *1st buttonhole is too big causing 1st button and buttonhole to easily unfasten. Please ensure buttonholes and buttons are correct size for bulk. apply a piece of fuse if needed as we did on OB1321530 UPCYCLE LACE SS SHIRT.
- *Lightly press collar open for shipping as OB 1321530 UPCYCLE LACE SS SHIRT. See photos.
- *All other construction is acceptable as sample.
